

Consultant Anesthesiologist

[Apply Now](#)

Company: CareerLink HR

Location: Dubai

Category: healthcare-practitioners-and-technical

Are you an anesthesiologist who wants to grow professionally? Would you like to work in a busy and innovative practice? Our facility is expanding and we are looking for a confident and experienced anesthesiologist to join our friendly team. Along with using your skills and knowledge in a variety of settings, you will be a part of a collaborative team, helping to make decisions about how to grow and help more people. Our environment is designed to encourage major professional advancement. As a team member, you will receive a healthy salary that is guaranteed for two years, a great benefits package, and the potential to become a partner.

Job Responsibilities:

Use intravenous, local, caudal or spinal methods to administer sedation or pain medications during surgical and other medical procedures

Supervise patients and monitor their pain medications before, during, and after surgery; offset adverse complications or reactions; record amount and type of anesthesia as well as the patients' conditions throughout procedures

Determine risk during medical procedures by taking medical histories, examining patients, and ordering diagnostic procedures like x-rays and laboratory tests; discuss with other healthcare professionals about the method and type of anesthetic to make patients numb to pain

Provide and sustain airway management and life support during emergency surgery

Monitor patients post-surgery and determine when they are stabilized enough to move to another room or go home

Manage anaesthesiological services and coordinate with other professionals to formulate procedures and plans; direct the duties of medical technicians, nurses, and other healthcare support staff

Educate patients and families on post-procedure care and possible complications; instruct on different ways to prevent disease and improve health

Job Skills & Qualifications Required:

Doctor of Medicine degree with anaesthesiology residency

Minimum of three years of experience as an anaesthesiologist

Specialisation degree in anaesthesiology

Skilled at epidurals, spinals, and ultrasound-guided regional anaesthesia

Ability to stand for long periods of time

Preferred:

Experience in a supervisory position

Excellent communication skills

Salary AED 65 K to AED 75 K
