Company: CareerLink HR

Location: Dubai

Category: healthcare-practitioners-and-technical

We are seeking an experienced cardiologist to join our growing team. In this position, you will play a key role in improving the cardiovascular health of our patients. You will diagnose, test, and treat disorders of the circulatory or cardiovascular system. You will also perform tests, diagnose patients, provide treatment plans, options, and work with patients' physicians and surgeons to treat cardiovascular issues.

Cardiologist Duties And Responsibilities

Evaluate patient through questions, examinations, symptom review, and medical testing

Perform exercise tests, diagnostic image tests, cardiac catheterizations; may perform or recommend procedures like echocardiograms

Analysis of patient test results

Set patient goals and discuss a treatment plan

Establish timelines, tasks, and medical needs of the patient

Develop treatment plans for medications or therapy to help patients reach their goal

Prescribe medications and monitoring patient intake

Recommend surgeons or other further treatments

Consult with surgeons on patient procedures

Advise and assist with cardiac surgeries when needed

Monitor patient progress post-surgery

Document patient records and progress including symptoms, medications, and treatments

Provide patient with tools and methods for recovery and better quality of life

Educate the patient, patient's family, significant others, and relevant parties of patient progress, treatment, and future goals

Conduct research to better serve patients

Cardiologist Requirements And Qualifications

Bachelor's degree in biology, pre-med, physical sciences, or related field

Doctor of Medicine (MD) Doctor of Medicine (M.D.) degree; clinical residency, and cardiology fellowship

Participation in further medical education and/or professional organization memberships are preferred

Strong desire to help people and improve their daily lives

Compassionate and sensitive to patients' needs and concerns

Able to multitask, prioritize, and manage time efficiently

Excellent verbal and written communication skills

Exhibits patience and understanding

Great interpersonal relations, communications, and demeanor
