## Consultant - Financial Services

[Apply Now](#)

Company: Synpulse Schweiz AG

Location: Dubai

Category: healthcare-practitioners-and-technical

We are an established, globally active management consulting company with offices in Switzerland, Germany, Austria, UK, USA, Singapore, Hong Kong, the Philippines, Australia, Indonesia, and India. We are a valued partner to many of the world's largest international financial services and insurance firms. We support our clients at all project management stages from the development of strategies and operational frameworks to the technical implementation and handover. Our expertise in business and technology combined with our methodic approach enable us to create sustainable added value for our client's business.

### **About the job:**

In this role, you can build competencies in Banking and/or Insurance and help shape the field extensively. You can become part of the success story. Working in the Financial Service area offers a broader range of challenging tasks in a familiar, dynamic and international team.

You will accompany projects at well-known banks or insurance companies after an induction phase tailored to your needs.

You are responsible for the conception, detailed analysis and implementation of individual solutions for our customers.

You quickly take on responsibility in agile teams and specialize in large platform projects, transformation or automation projects.

You have an impact on Synpulse's development through exciting internal projects on a global

level. You can participate in recruiting and shape the heart of Synpulse.

**About you:**

You have a master's or PhD degree - or will complete it in the near future - with an excellent GPA

You have exceptional analytical and conceptual skills and are tech-savvy

You have ideally gained practical experience in consulting, in a bank or in an insurance company

You have strong communication skills in Arabic and English

You have strong teamwork and interpersonal skills and are willing to travel often

**Why us:**

Four-Weeks New Employee School to perfectly prepare you for client projects and integrate you into the team

Development and training through our Synpulse Academy Program with at least 10 days of organized training, LinkedIn learning and an individual development budget.

Your career opportunities are actively promoted by the mentorship program of experienced consultants

Your work-life balance is important to us, we encourage flexible working and remote working

Opportunity for relocation within the Synpulse group

Participation in the success of the group - Don't just work for us | own the company with us  
- Synpulse gives you a share in the company's profits via a crypto-currency token.

Your other benefits- Our benefit cafeteria offers you, among other things, cell phone contract, sports subscriptions ( Urban Sports), Hello Fresh, Job-Bike and a BahnCard.

**Your documents to start the process:**

Resume

Qualifications (bachelor/ master diploma, etc.) with certificate of grades

Do you approach your tasks with commitment and enjoyment and are you convinced that teamwork achieves better results than working alone? Are you proactive and willing to go the extra mile for your clients? Are you motivated not only to design solutions but also to implement them? As a flexible and goal-oriented person, you will quickly assume entrepreneurial responsibility with us.

Do you appreciate the spirit of a growing international company with Swiss roots and a strong corporate culture? Then we look forward to receiving your online application at [www.synpulse.com](#). Our people are our most valuable asset. They drive our growth and anchor our success. They are experts, thought leaders, and trusted partners of our global clients. The Synpulse OneSpirit is reflected in our people and unrivaled culture of collaboration, inclusion, entrepreneurship, and fun. We are good corporate citizen in our communities and we celebrate success together with our Synpulse crypto token. Client Serving Management Consulting Entry Level Hybrid
