The job posting is outdated and position may be filled Permanent, Part-time, 3-5 days a week, Full-time We are recruiting for a Consultant Forensic Psychotherapist. Our client has grown quickly from a small charity to a medium sized one in recent years and are currently finalising their next three-year strategy for 2022 - 2025. They are looking for an experienced clinical psychotherapist who can lead their Forensic work as part of their Senior Team. Supporting the Clinical Director and alongside the Midlands Service Manager, you will contribute to the next phase of the development of psychodynamically informed approach to working with harmful sexual behaviour in the lives of people with learning disabilities and autism. We are looking for someone with significant experience of working with autistic people and people with learning disabilities who have a risk of exhibiting sexual harmful or other high risk behaviour. Our client is a trauma informed organisation with an integrative approach including psychodynamic and systemic to all their service delivery. What this means for them is that they hold in mind the impact of trauma at all levels of the organisation and all take part in reflective practice or team dynamics. They are keen to encourage applications from a diverse range of candidates who are both interested in leading at team, as well as supporting people with learning disabilities and autistic people who have experience trauma. They are committed to the furthering of human rights, equality, and positive social change through their therapeutic and advocacy work and are committed to anti-racism and other forms of anti-discriminatory practice. They recognise that they need to continually keep this as a focus in their work and as an integral part of their organisational strategy. They celebrate diversity as an employer and as a provider of services to people who often experience multiple

discriminations because of (but not limited to) being autistic or having a learning disability and experiences of trauma. Experience Substantial experience as a psychodynamic psychotherapist working with people with multiple and complex needs who present a high risk of harm to others and themselves. Substantial leadership experience Understanding the underlying issues that may lead to sexually harmful behaviour Providing forensic risk assessment/analyses and/or therapy Substantial experience of working effectively with people with learning disabilities and/or autism Understanding the issues connected to working in the voluntary sector Experience of working effectively as part of a team; collaborative and supportive across the whole organisation Managing highly complex cases Significant post-qualifying experience working as a psychotherapist or arts therapist. Managing a team or service Responsibility for safeguarding children and young people. Partnership working with agencies and statutory services. Experience of conducting Psychotherapy or Arts Psychotherapy groups within a Forensic Setting. Duties and Key Responsibilities 1.1 Clinical Provide specialist clinical guidance and containment to the Forensic clinical team Provide psychodynamic perspective to multidisciplinary teams or other supportive networks Provide therapeutic consultancy to professional networks and teams Participate in clinical supervision Provide specialist forensic clinical guidance across their services Carry out specialist forensic Risk Assessments and Therapy assessments alongside other clinical colleagues. Coordinate the referral allocation and waiting list. Provide Clinical Oversight to Clinical case management of Forensic cases Provide psychotherapy to a limited number of clients Develop therapy groups with colleagues. Oversee and have responsibility for the treatment of high-risk clients with complex and challenging needs.
