Description:

This job is for you if you're an analytical thinker, who is looking to make an impact in a company – and an industry – where you'll truly make a difference. Consultants possess strong problem solving, quantitative and modelling skills, are knowledgeable and passionate about the TMT industry and are true team players. The nature of the role means that consultants travel frequently, so you'll need to be ready to jet-set across the globe.

Responsibilities:

MBA from a top business school

Undergraduate degree in: Business, Computer Science, Economics, Engineering, Finance, Management, Strategy, Analytics or a related field.

Basic knowledge and interest in the Telecoms, Media and Tech (TMT) industry

Excellent analysis and problem-solving skills

Strong quantitative skills

A logical and lateral thinker, who is intellectually curious

Exceptional communication and interpersonal skills, with fluency in English (written and spoken)

A team player, who can work in a truly diverse setting

Highly motivated individual who is looking to learn and grow with the company

## Requirements:

Previous experience within the TMT sector

Knowledge of programming languages and statistical analysis tools

Additional languages (spoken and written)

International exposure and work experience

An entrepreneurial spirit, with previous experience in a start-up or entrepreneurial business venture
