## Consultant Medical Oncologist Jobs In Dubai | WizeJob

### About the job

We believe life doesn't stop with a cancer diagnosis—and that has everything to do with a team of doctors, specialists, and nurses committed to patient-centered care. We are in search of an experienced oncologist who will rise to our high standards of cancer care and groundbreaking research. Our ideal candidate is compassionate, listening to each patient's concerns, preferences, and needs in order to help them achieve the best outcome. This requires a keen understanding of the latest techniques in diagnosis, surgery, chemotherapy, and radiation therapy, as well as newer techniques such as interventional radiology and immunotherapy. Above all, you should have a passion for meeting the needs of patients and their families at every phase of their cancer journey.

Requirements:MD or MD/PhD with medical training specifically in oncology

Board certification in oncology with state license in good standing

Ability to interpret clinical, genomic, and efficacy data

Motivated to work in a fast-paced environment#J-18808-Ljbffr
