[For More Top Organization Jobs Click Here](#)

We are seeking a skilled support specialist to join our growing organization. You will be responsible for providing technical support to our employees by troubleshooting and resolving issues with our IT systems when they arise.

#### Responsibilities:

Performs professional, comprehensive, and diagnostic examination of patients during consultation in the outpatient clinic.

Provides expert endocrine interventions for ambulatory and hospitalized patients in the General and Endocrine section.

Makes daily rounds to patients under care in the inpatient section of the hospital.

Participates and contributes to in-service activities attending or imparting lectures and conferences; and keeping abreast of latest techniques, procedures, and drug therapy.

#### Requirements:

MBBS or MBBCH (or its equivalent from country of origin) plus one (1) year Internship MSc followed by M.D. or board or equivalent in the specialty.

Minimum 5 years' experience as Specialist after post qualification.
