Job Description

Role – Consultant – SQL DBA

Technology – SQL DBA

Location – Abu Dhabi

Job Description

Today, the corporate landscape is dynamic, and the world ahead is full of possibilities! None of the amazing things we do at Infosys would be possible without an equally amazing culture, the environment where ideas can flourish and where you are empowered to move forward as far as your ideas will take you.

At Infosys, we assure that your career will never stand still, we will inspire you to build what's next and we will navigate further together. Our journey of learnability, values and trusted relationships with our clients continue to be the cornerstones of our organization and these values are upheld only because of our people.

Your role

As a Consultant, you are an expert at contributing to implementation, configuration,

maintenance, and performance of SQL Server. You will need to:

Manage SQL Server databases.

Configure and maintain database servers and processes.

Monitor system's health and performance

Ensure high levels of performance, availability, sustainability and security.

Analyze, solve, and correct issues in real time.

Provide suggestions for solutions.

Refine and automate regular processes, track issues, and document changes.

Assist developers with query tuning and schema refinement.

Provide 24x7 support for critical production systems.

Perform scheduled maintenance and support release deployment activities after hours.

Required

Experience as a SQL Server DBA or similar role

Experience in Performance Tuning and Optimization (PTO)

Hands on knowledge of backups, restores and recovery models.

Experience of High Availability (HA) and Disaster Recovery (DR) options for SQL Server

Experience with Windows server, including Active Directory

Sense of ownership and pride in your performance and its impact on company's success

Having problem-solving skills

Personal

Besides the professional qualifications of the candidates, we place great importance in addition to various forms personality profile. These includes.

• High analytical skills

• A high degree of initiative and flexibility

• High customer orientation

• High quality awareness

• Excellent verbal and written communication skills

• Fluent in spoken and written English

• Good interpersonal skills, able communicator

• Team player

• Experience in multinational and multicultural environments.

About Infosys

Infosys is a global leader in next-generation digital services and consulting. We enable clients in 46 countries to navigate their digital transformation.
