[Apply Now](#)

Company: CC Medical

Location: united arab emirates

Category: other-general

The Role: Come and join the consultant team in the adult and paediatric mixed Emergency Department (ED) of this University Hospital. This is an exciting opportunity for Emergency Medicine Specialists to join a progressive team. Eligible health workers who make the move to work with us may receive up to \$70,000 in incentive payments under Scheme 2 of the Queensland Health Workforce Attraction Incentive Scheme (conditions apply). Tropical lifestyle Over 300 days of sunshine a year Live and work in a vibrant, dynamic city Boutique shopping, fine dining experiences, cultural events, and a bustling nightlife. Generous remuneration package value up to \$564,048 p.a. University Hospital Demonstrated clinical experience in both paediatric and adult Emergency Medicine. Highly desirable qualities are experience and qualifications in paediatric emergency medicine, pre-hospital and aeromedical retrieval. One of the biggest and busiest Emergency Departments in Queensland, providing emergency care to the residents of the greater area, as well as being the major referral centre for the whole of North Queensland. There were over 95000 presentations to the Emergency Department in 2022. The ED specialists cover clinical shifts in the adult and paediatric areas of the ED and short stay unit, in addition to aeromedical retrieval clinical coordination for North Queensland, the Frailty Intervention Team and EMET (Emergency medicine education and training). The Hospital: The hospital takes referrals for its tertiary services it provides, complex, high-level services across a wide range of specialities including cardiothoracic, neurosurgery, adult and paediatric ICU, general surgery, medicine, radiation and medical oncology, transplant haematology, paediatrics, obstetrics, and neonatology to the region. Location: Over 300 days

of sunshine a year and the perfect laid-back tropical/coastal lifestyle, it offers a range of diverse experiences. The options are endless, and rest assured it is both the journey and the destination that make the region so spectacular. Appreciate the country town 'feel' and change your pace as you absorb the local tropical/coastal flow. This town has something to offer for all, from the most adventurous souls to young families looking for a great place to raise their children. To be considered: Highly desirable qualities are experience and qualifications in paediatric emergency medicine, pre-hospital and aeromedical retrieval. Proof of qualification and Specialist registration with the Medical Board of Australia

(AHPRA). FACEM preferred. Expression of interest: Please forward your resume to Nicki Wade at For more information about this and other opportunities and a confidential discussion please contact Nicki Wade on.
