Corporate Counsel | M2 Abu Dhabi | Apply Now
Qualified lawyer in an English, Commonwealth, US, or European jurisdiction.

3+ years of post-qualification experience working in-house at a well-established corporate or investment fund or a reputable law firm.

Strong team player and good business sense.

Ideally trained in a reputable law firm within the corporate practice with a transactional focus, i.e. M&A/PE/VC.

Restructuring experience is also helpful.

Possesses strong legal technical expertise as well as exceptional business acumen and people skills.

Hands on at work and can be independent in managing complex projects whilst still working as part of a team.

Ability to come up with and execute creative solutions to meet current and evolving business needs.

Excellent legal drafting and interpretation skills.

Excellent problem solving, analytical and organisational skills. Don't miss out on this exciting
