Company: So-Talented

Location: Dubai

Category: healthcare-practitioners-and-technical

About Our Firm:

So-Talented is supporting a client, an independent financial services firm that was established in 2015 in the Dubai (UAE). The Firm is licensed and regulated as an Asset Manager by the Dubai Financial Services Authority.

The company is the trusted partner of a select number of investors in EMEA looking for a conduit between their capital and institutional quality, often proprietary, deal flow in private markets. The Firm's mandate is to source, structure, and manage investments on behalf of HNWIs, Family Groups, and Institutions with a focus on global alternatives.

Our objective is to identify institutional quality strategies and opportunities with the potential to generate attractive risk/return profiles for our investors. Over the last 8 years, The boutique company has been transacting and collaborating with some of the finest asset managers and companies across the globe.

Role Overview:

We are currently seeking a Corporate Finance Director to lead our team, emphasizing autonomy and ownership in managing a range of complex financial transactions. This

position demands a candidate who is not only seasoned in the nuances of corporate finance but is also technically proficient and capable of independently driving initiatives and solutions.

Key Responsibilities:

Direct and mentor a team of analysts and associates, emphasizing technical excellence and autonomous project management.

Take full ownership of the planning, execution, and completion of complex corporate finance transactions, including mergers, acquisitions, and capital formations.

Foster and maintain robust client relationships, delivering technically grounded and strategic financial advice.

Uphold and advance rigorous standards of financial analysis, employing advanced technical tools and methodologies.

Encourage a culture of continuous learning and development within the team, focusing on both technical and leadership skills.

Qualifications, Skills, and Requirements:

8 to 12 years of relevant experience in corporate finance, particularly in a boutique investment setting, with a demonstrated track record of technical proficiency.

Proven ability to work autonomously and take ownership of all aspects of financial transactions.

Demonstrated leadership and the ability to foster a team environment conducive to growth and independence.

Exceptional analytical and technical skills, with a masterful grasp of financial modeling and other analytical tools.

Strong communication skills, capable of effectively articulating complex technical concepts and strategies to clients and team members.

Bachelor's degree in Finance, Economics, or related field; an MBA or relevant professional certification (e.g., CFA) is highly advantageous.

Commitment to staying abreast of technical advancements and regulatory changes in the corporate finance sector.

Compensation and Benefits:

Salary package includes \$180-200K base salary + up to 50% bonus + additional bonuses.

Net Salary - The salary you see is already at the net of taxes.

Sponsored visa.

In-Office work. (no remote or hybrid)
