Description:

A medical center in Dubai, UAE is looking for a Cosmetic GP Doctor to join their highly professional on a full-time or part-time basis. The doctor must have at least 3 years of experience with cosmetic, aesthetic, and anti-aging treatments.

Responsibilities:

Providing skilled health assessment, diagnosis, and treatment services (including contraception) to patients

Ordering diagnostic tests as needed, checking and informing patients of results in a timely manner

Referring patients appropriately to other providers if their needs exceed the range of care you are able to provide

Consulting and collaborating with colleagues to provide optimal care

Documenting all care provided and education/information given to patients within their health record, as per professional and company standards

Requirements:

Possess a bachelor degree in medicine

Minimum three years of relevant work experience post graduation

Must have DHA license or eligibility

Providing care off-site (house calls) when this is in a patient's best interest or when this improves access for a group of patients
