Do what you love, care for the world, dare to challenge the status quo! #BELIMITLESS'

## Job Description

### Cost Controller

As a Cost Controller, you will ensure smooth and efficient operation of cost control, storerooms, and receiving and assist management in keeping the cost of food, beverage and other supplies to the minimum while maximizing profitability.

### What is in it for you:

Employee benefit card offering discounted rates in Accor worldwide

Learning programs through our Academies

Opportunity to develop your talent and grow within your property and across the world

Ability to make a difference through our Corporate Social Responsibility activities, like Planet 21

**What you will be doing:**

To ensure that all inventory movements within the hotel are accounted for and are properly supported with appropriate documentation

To report the daily and monthly F&B costs with emphasis and detailed analysis on exceptional variances such as trend of cost of sales ratios, slow moving items, breakage & loss etc

To check the data entered by Materials Management employees and to correct where necessary

To cost all recipes, inter-kitchen transfers, and any food and beverage consumed by the hotel employees

To prepare and issue various cost reports as required by Management

To understand and audit the operating procedures (purchasing, receiving, store, preparation etc.) of Materials Management Division

**Qualifications**

**Your experience and skills include:**

Diploma or Degree in Accounting

Previous experience in cost control operations of similar size/style of hotel

Proficient in MS Applications

Has familiarity with the hotel's operation system and software including applicable inventory and materials control, Micros POS, etc.

Prior experience working with Opera or a related system

## Additional Information

### Your team and working environment:

Dynamic working environment

Defined career development path
