Company: GEMS Education

Location: dubai

Category: other-general

To provide programs for students to ensure the gaps in their attainment are filled before they move to the next grade level. To observe lessons to ensure students are getting the quality of learning to improve their outcomes. To ensure that all students are making progress at the class, semester and over a full year as evidence by internal and external data analysis. To ensure that effective systems are in place for the assessment and recording of students' progress and attainment in line with AKNS policies Disclaimer: only a platform that connects job seekers and employers. Applicants are advised to conduct their own independent research into the credentials of the prospective employer. We always make certain that our clients do not endorse any request for money payments, thus we advise against sharing any personal or bank-related information with any third party. If you suspect fraud or malpractice, please contact us via contact us page.
