Category: other-general

1- CVM Specialist – Middle East & Africa

Job: Full Time

Location: Dubai, UAE

Description:

Reporting to the Retail and Trade Director for Middle East & Africa, you will be responsible for:

Partner with Global CVM and Market leaders to leverage Global CVM campaign direction to support local Market initiatives and to drive traffic to stores.

Ensure the merchandise selected for each creative campaign fixture is the best and boldest while being properly installed, styled and lit to create an impactful presentation.

Ensure styling guidelines and the merchandising strategy is upheld in all stores, including partnering with Retail teams to identify any visual merchandising (VM) collateral needs.

Partner with Global CVM and Market leaders to leverage CVM retail activation and in-store environment programs to support local Market initiatives and to drive traffic to the store.

Manage CVM components of new store openings and renovations within the Market. Partner with Global and Market stakeholders on the ordering, logistics and installing of all CVM collateral and creatives.

Job Requirements:

Bachelor's degree with 2-4 years' experience in merchandising, visual display, styling, or related areas – preferably luxury retail.

Demonstrate strong business acumen and an ability to lead the market stores

Exceptional organizational and communication skills.

Able to successfully navigate complex relationships.
