Data Analyst vacancy in Bani Yas City UAE Data Analyst in Bani Yas City, UAEData Analyst - Bani Yas CityWe are looking for an experienced Data Analyst to join our team in Bani Yas City. We are willing to consider applications from international candidates. The ideal candidate should have a combination of technical and analytical skills, along with the ability to make sense of complex data sets.

**Job Description:**The Data Analyst will be responsible for providing strategic insights into our business operations. This role requires analysing large amounts of data, interpreting trends and patterns, and creating meaningful reports that will help guide decision making. The Data Analyst must also be able to communicate their findings clearly and effectively to all levels of the organization.

**Needs for the Candidate:**To succeed in this role, the candidate should have a Bachelor's degree in Statistics, Mathematics or another related field. A minimum of three years experience working with data analysis is also necessary. Additionally, the candidate must be proficient in SQL, Excel and any other relevant software for data analysis purposes. Strong critical thinking skills and attention to detail are required for this role as well as excellent communication skills both written and verbal. Knowledge of analytics tools such as Tableau or Power BI is an asset but not necessary. This is a full-time position offering a salary of 1500 per month depending on experience level. We look forward to receiving your application! This job has no reviews yet. You can be the first! Working in a greenhouse packing tomatoes .
