Data Engineering Specialist Jobs In Abu Dhabi | Michael Page

About the job

Opportunity to work within a top tier-local government entity|Excellent growth opportunities for UAE Nationals

About Our Client

Top-tier local government entity in Abu Dhabi.

Job Description

Develop and implement data quality standards, policies, and procedures

Monitor data quality metrics and conduct regular assessments and audits

Collaborate with data owners, stakeholders, and IT teams for improvement initiatives

Perform data profiling, analysis, and validation to identify issues

Utilise data quality tools to assess completeness, validity, and accuracy

Develop and execute validation scripts or queries to rectify problems

Work with teams to rectify discrepancies and ensure data standardisation

Implement data cleansing techniques and document resolutions

Evaluate processes and propose enhancements to workflows and tools

Standardise data entry processes and enforce best practices

Support data governance frameworks and ensure compliance

Stay updated on industry trends and provide guidance and training to users.

The Successful Applicant

UAE National with Family Book (REQUIRED)

Bachelor's degree in computer science, information technology, or a related field. Master's degree is a plus.

5 + years of experience as a data engineer or similar role, with expertise in data pipeline development and data integration.

Strong programming skills in languages such as Python, SQL, and/or Java.

Proficiency in working with data engineering tools and technologies, such as Apache Spark, Hadoop, SQL-based databases, ETL frameworks, and cloud-based data services (e.g., AWS, Azure, GCP).

Solid understanding of data modeling, database design principles, and data warehousing concepts.

Experience with data visualisation tools and platforms (e.g., Tableau, Power BI) is advantageous.

Strong problem-solving and analytical skills with the ability to handle complex data challenges.

Excellent collaboration and communication skills to work effectively with diverse teams and stakeholders.

What's on Offer

Opportunity to work within a top tier-local government entity.

Excellent growth opportunities for UAE Nationals.
