Company: Marriott Hotels

Location: abu dhabi

Category: other-general

Working with companies and government agencies to research and solve problems and develop policies and procedures that comply with current legislation. Analyzing, evaluating, developing, and implementing new control systems that optimize operations or utilize new technologies. Recording, reviewing, and interpreting data to determine the effectiveness of operations. Researching discrepancies, operational problems, or other issues. Examining records, reports, receipts, or other documents and comparing them to company assets and liabilities. Bringing company strengths and weaknesses to the attention of management and providing advice as they develop responses or fixes for these issues. Generating reports and presenting findings to management or other interested parties. Maintaining awareness of current industry trends, technology, and developments. Handling additional duties and special projects to ensure the business is operating efficiently and in compliance with all current regulations. Disclaimer: Drjobs.ae is only a platform that connects job seekers and employers. Applicants are advised to conduct their own independent research into the credentials of the prospective employer. We always make certain that our clients do not endorse any request for money payments, thus we advise against sharing any personal or bank-related information with any third party. If you suspect fraud or malpractice, please contact us via contact us page. Our goal is to make hiring as easy as possible. We find the right talent for every company, ensuring that each candidate finds a job they enjoy. Dr.Job FZ LLC provides 360-degree AI-powered recruiting and job search solutions. If you are looking for a job and haven't found your chance yet, you can upload your profile on our website and find thousands of opportunities globally! Our platform gives you the flexibility you need to

thrive in today's market by allowing you to apply for all different kinds of jobs, whether they are full- or part-time, remote or on-site.
