Deals Graduates - Watani Programme - UAE Nationals Only - UAE

[Apply Now](#)

Company: PwC Middle East

Location: United Arab Emirates

Category: healthcare-practitioners-and-technical

Description

At PwC, we measure success by our ability to create the value that our clients and our people are looking for. Our reputation lies in building lasting relationships with our clients and a focus on delivering value in all we do. We're a network of firms in countries with more than , people who are committed to delivering world-class capabilities and quality in assurance, tax and advisory services.

Established in the region for 40 years, PwC Middle East employs over 4, people across 12 countries. Complementing our depth of industry expertise and breadth of skills is our sound knowledge of local business environments across the Middle East region. Our tailored solutions help our clients meet the challenges and opportunities of doing business in the Middle East market and beyond.

Job Description & Summary

Do you want to create the foundations of businesses that could transform entire countries and regions? Join us on our Deals Graduate Programme (Edge) and be a part of a human-led, tech-powered future. You'll work across a variety of clients to assist them with their deal needs including: strategy and transaction advisory (due diligence and valuations) for domestic and cross border M&A, divestitures and spin-offs, capital markets transactions like IPOs, as well as business restructurings, including bankruptcies and forensic services. In addition, we work on capital projects including mega projects and provide infrastructure and government advice. Each of our Edge Graduates have a different journey and enjoy the benefits of being part of such a diversified group who positively contribute to their clients' growth in a variety of

ways. Let us help shape your journey!

Over the three years of the Edge programme, we'll help you learn how to investigate client needs effectively, create proposals to reach solutions and present information effectively to people of all levels, knowledge, areas and backgrounds.

Human-led, Tech-powered

You might think that Deals only about propositions and acquisitions, but that's not all that it means. At PwC Middle East, Deals is about providing opportunities, accelerating transformation and developing stronger capabilities. Our teams go above and beyond to understand their clients, the markets they're in and what they're trying to achieve. Our clients need to make strategic moves and Deals is the reason they can.

Discover your future with us

We're looking for versatile graduates with a real interest in problem solving. You need to be curious and confident in asking questions. You should also be:

- A recent or final-year undergraduate on track for a 3.5 GPA or equivalent in a STEM or Business-related degree subject area

- Fluent in English with a preference for native Arabic language skills (spoken and written)

During the programme, we'll help you to develop your client management, problem solving, analytical thinking and presentation skills, so it's important that you're willing and keen to learn and drive your own development.

Our programme won't just help you build the practical experience needed to develop a successful career but will also give you the opportunity to complete a professional qualification during your journey, including Chartered Financial Analyst (CFA), Association of Chartered Certified Accountants (ACCA), Associate Chartered Accountant (ACA) or Certified Public Accountant (CPA). We'll also offer a wide range of employee benefits differing by location, including:

- Flexible working model

- Holistic wellbeing initiatives and programmes

- Medical cover and employee life insurance

We are PwC Middle East.

Our business makes change happen. With around 8, people across 12 countries in the Middle East, you'll play a part in building a human-led, tech-powered future. We operate regionally, connecting more than , people across the globe, bringing together unique knowledge and experiences.
