Description:

We are looking for a mortgage broker with strong negotiating skills to determine mortgage clients' needs and assist them in finding mortgage funding. The mortgage broker's responsibilities include acquiring new clients and potential lenders and reviewing the clients' financial status before applying/.

Responsibilities:

Negotiating with banks and credit lenders to find the best loan solution for the client.

Marketing of services to lenders and real estate agents.

Acquiring new clients and assessing their needs according to their financial information.

Acting as a go-between for lenders and borrowers in need of mortgage loans.

Requirements:

Bachelor's degrees in finance or a relevant field.

State-specific real estate broker license as required by federal law.

Expertise in personal finance and risk assessment.

Familiarity with banking and financial legislation and regulations.

Strong numerical and analytical skills.

Excellent sales and negotiation skills.
