### Delivering Deal Value Manager Jobs In Abu Dhabi | PwC

#### About the job

The Delivering Deal Value (DDV) team is part of the DS&O business unit. Our fast-growing practice is looking to double the team in the next 12 to 18 months. It focuses on providing support for transactions and assists clients in all operational and integration aspects of the transaction, pre and post completion, including: Buy side operational due diligence; synergy development and review; sell-side due diligence; carve-out; turnaround; taking control and 100-day planning; value creation planning; mergers & acquisitions integration; post-acquisition performance improvement.

#### Requirement

Support Senior Managers leading post-merger integrations

Identifying synergies and value creation opportunities

Providing strategic and operational advice for our clients from setting the deal strategy to post-deal execution

Supporting our clients in conducting commercial due diligence on potential target acquisitions

Supporting clients with Day 1 readiness

Being the main point of contact for our clients to build relationships

Assist with project budgeting and finance management, along with coaching and resource management on a portfolio of clients

Managing client expectations and ensuring that the scope of work, as agreed upon within

the contract, is completed to PwC's standards of excellence

Contributing to business development efforts including drafting proposals

Developing your understanding of the key trends in the Financial Services sector in the Middle East region
