Job Description

Due to the continued success of GEMS Founders School, Dubai. We are seeking an enthusiastic and dedicated Deputy Head of Maths - Secondary to help lead our passionate team of educators in our Maths department.

This is a fantastic opportunity for experienced teachers to take the next step in their career with a global leading company and within a world-class International School located in the heart of Dubai.

Teaching at GEMS is not just a job, it's a career. Our teachers enjoy free access to leading CPD programmes and have the opportunity to grow with the company on a global scale. As part of our commitment to developing our teachers, Graduate teachers will benefit from our accreditation with British Schools Overseas and enrollment to our NQT programme; while our more experienced teachers are in a unique position to consider career opportunities across the world - especially as we expand into more and more countries. GEMS teachers are at the forefront of opportunities for growth and development; with most of our leaders coming from within the GEMS network of schools.

As well as being a great place to work, Dubai is a vibrant, cosmopolitan, rapidly expanding city where the sun shines all year round. Teachers in Dubai enjoy an exciting lifestyle, with

opportunities for new and exciting leisure activities and travel across the region and further afield!

We are looking for an outstanding, innovative leader to join the GEMS Founders Family. The successful candidate will play a key role in the Middle Leadership Team.

Key responsibilities include, but are not limited to:

Promoting and ensuring student development, progress and well being

Leading teaching and learning and managing policy within the context of the Subject Area

Leading and managing people and teams

Managing resources

Promoting and representing the House

The successful applicant will have the following:

A certified teaching qualification, at degree level such as B.Ed, PGCE, PGDE or equivalent . Open University or online degrees are not acceptable.

At least 4 years of solid and demonstrable experience in teaching up to A Level Maths in a British curriculum school

The desire to provide outstanding teaching and learning

Excellent IT and interpersonal communication skills to work closely with students and parents

A creative and enthusiastic approach both in and out of the classroom
