Design Architect | Galadari Motor Driving Centre Dubai

Galadari Motor Driving Center was established in the year 2004, by one of the most renowned business entrepreneurs in the UAE – Mr. Ilyas & Mr. Mustafa Galadari spearheading the growth story of a portfolio of other profitable ventures.

Working closely with architectural team in the preparation of 3D visualization.

Understanding the concepts and initial design intent and apply this into a graphic representation. Involving reproducing the architect's concept into a graphic form, and interpretation and artistic design ability to represent the ideas in a graphic form and into photo-realistic 3D renderings and animations. Subsequently working with marketing manager regarding brandings, promotions, campaigns and other marketing collaterals – designs.
