

United Arab Emirates Jobs Expertini®

Design & Estimation Engineer(Extra Low Voltage) - Fire Alarm System

[Apply Now](#)

Company: NAFFCO FZCO

Location: dubai

Category: other-general

Knowledge in Voice evacuation, Fire Alarm system , Emergency & Exit light system
Knowledge in AUTOCAD & Revit 3D modelling
Knowledge in UAE Fire codes & NFPA Standard
Design and estimate Extra Low Voltage Fire Alarm Systems for various projects
Prepare technical drawings, specifications, and cost estimates for client proposals
Coordinate with project managers, engineers, and clients to ensure project requirements are met
Stay updated on industry standards and regulations related to fire alarm systems
Collaborate with vendors and suppliers to source required materials and equipment
Ensure compliance with safety standards and quality control measures
Document project progress and maintain accurate records of design and estimation activities
Have a strong knowledge in fire alarm, voice evacuation, emergency lighting systems and UAE fire codes.
Have an ability to adapt easily in work pressure.
Have a good communication, Microsoft office skills.

#J-18808-Ljbffr
