

Design Team Leader

[Apply Now](#)

Company: AECOM

Location: Dubai

Category: other-general

Resource Management: Effectively allocate resources, including personnel and equipment, to ensure project goals are achieved efficiently. **Budget Control:** Monitor project budgets, identify cost-saving opportunities, and implement strategies to maximize project profitability.

Quality Assurance: Implement quality control measures to ensure the accuracy and compliance of design work. **Risk Management:** Identify and mitigate risks associated with highway design projects, taking proactive steps to avoid delays and cost overruns.

Reporting: Prepare and present regular project progress reports to senior management and clients. **Continuous Improvement:** Stay updated on industry trends, technological

advancements, and best practices to improve the efficiency and effectiveness of highway design processes. **Qualifications:** A minimum of 17 years of experience in highway design, with a strong emphasis on leadership roles. Proven experience in successfully managing and delivering complex highway design projects. In-depth knowledge of industry standards, regulations, and best practices. Exceptional leadership and communication skills. Proficiency in relevant design software and tools. Strong problem-solving and decision-making abilities.

Excellent organizational and time management skills. **Qualifications:** Bachelor's degree in Civil Engineering or a related field (Master's degree preferred). Professional Engineering (PE) license is preferred.
