

## Designer Architect

[Apply Now](#)

Company: LEO INTERNATIONAL HRC

Location: dubai

Category: other-general

Create detailed architectural drawings and plans based on client requirements and specifications. Collaborate with architects, engineers, and other professionals to ensure accurate, high-quality drawings. Review and analyze design documents and drawings to identify any potential problems or discrepancies. Prepare and maintain project documentation, including drawings, specifications, and lists of materials. Stay current with industry standards and codes to ensure compliance in all architectural drawings. Coordinate with contractors and suppliers to ensure accurate implementation of architectural designs. Providing technical support and guidance to novice painters and draftsmen. Use computer-aided design (CAD) software to create and modify architectural drawings. Conduct site visits and checks to verify design implementation and resolve any problems that arise. Communicate effectively with clients and other stakeholders to ensure project success and client satisfaction.
