## Digital Media Content Creator Jobs In Dubai | OLIVE

### About the job

Our client is a well-established interior fit out company and as part of their growth we are recruiting a UAE experienced digital and social media marketing content creator with videography and photography skills. The role is accountable for the videography and photography of completed interior fit out projects and posting the content on social media platforms.

Requirement 3+ years' experience in creating and editing video and photo content.

Editing and posting of video content and photography of interior fit out projects or real estate to suit social media.

Experience of working across all trending social media platforms including LinkedIn, Instagram, TikTok, and Facebook.

UAE driving license is a strong advantage. #J-18808-Ljbffr
