Digital Transformation Manager Jobs In Dubai | Allsopp & Allsopp

About the job

We are looking for a Digital Transformation Manager on behalf of our client. Within this role you will be responsible for leading, managing the digital transformation, identifying opportunities, developing strategies, and driving organizational change to ensure successful implementation of digital initiatives.

Main Responsibilities to include:

Implement a digital transformation strategy aligned within the companys goals and objectives

Identify digital transformation areas, evaluate technologies, and create roadmap for successful implementation

Promote digital-first mindset and drive cultural transformation in organizations

Offer guidance, support, and training for digital transformation

Manage digital transformation projects, defining scopes, objectives, and coordinating cross-functional teams

Evaluate and integrate digital technologies for business operations and customer experiences

Utilize data-driven insights for opportunities, process optimization, and informed decision-making

Establish strong relationships with stakeholders to align digital transformation efforts with

business goals, gather requirements, and ensure engagement

Identify and manage digital transformation risks, stay updated on industry trends, and cybersecurity threats

Maintain a continuous improvement culture by staying updated on digital trends, optimizing processes, and driving innovation

Requirements

Bachelors or Masters Degree in Business Administration or Information Technology

5+ years of experience in digital transformation, digital strategy or equivalent

Excellent knowledge of digital technology, trends, and best practices

Ability to lead and organize cross-functional teams as well as project management abilities

Expertise in change management, driving organizational and cultural transformation

Analytical mindset utilizing data for decision-making

Effective leadership enables team influence and inspiration

Acquired understanding of digital regulations, compliance, and cybersecurity

Strong command of English is essential for this role
