Company: Melior

Location: Dubai

Category: healthcare-practitioners-and-technical

HEAD OF DESIGN

Interior design company, Dubai

Melior is very excited to be partnering with a UK-based interior design company, that has recently opened an office in Dubai. They're now looking for a Head of Design to lead and oversee all aspects of the design process, from ideation to execution.

What you'll be doing:

Design leadership providing creative direction and leadership to the design team

Project management overseeing multiple projects

Client management: working closely with clients to understand their vision and translating these into designs

Team development: mentoring, coaching and developing more junior members of the team

Quality assurance reviewing and critiquing work, to maintain high standards

Vendor and supplier management: liaising with vendors, suppliers and contractors to source products

Trend analysis: staying up-to-date with the latest design trends, materials and technologies

Budget and resource management Working with the management team to develop budgets, allocate resources and optimize project profitability

What you bring:

At least 8 years of experience working in interior design

Previous management experience with strong leadership skills

Extensive experience delivering complex interior design projects

Exceptional design skills

Experience using EstiPC, SketchUp, Adobe Creative Suite and other interior design softwares

Ideally experience working in Dubai / the Middle East

What you'll get:

Competitive salary

Annual flight home

Health insurance

23 days of annual leave + public holidays

And more benefits!

This is a really exciting opportunity for someone with strong interior design skills (ideally with some experience in Dubai) that wants to be a part of growing a newly-opened office
