Company: Archirodon Construction

Location: United Arab Emirates

Category: healthcare-practitioners-and-technical

Job Description

We are constantly growing and are currently looking for an **E&I QC Inspector** to join a top qualified and knowledgeable team in our project in Fujairah, UAE.

Would you like to be part of a dynamic EPC leader with global presence We'd like to meet you. Join our worldwide journey. Build on something that matters!

What you will need to do:

Review of project technical specifications, drawings, and BOQ to identify and determine quality and engineering criteria for materials, workmanship and testing requirements related to E&I works.

Performs verification inspection of work elements related to E&I works, to assure compliance with established procedures and Project's specified requirements.

Participates in on site receiving Inspection of E&I materials.

Prepare, review of concrete specification, mix design and ITPs.

E&I Testing Standards, Onshore & Offshore Construction (O&G) Inspections.

What you will need to have:

Degree in Electrical or Instrumentation Engineering from a recognized/reputed University.

Minimum 5 yrs. of experience as E&I QC Inspector in the Oil & Gas industry
(construction & source inspection)

Fluency in English

Previous experience working with ADNOC project.

Computer literacy, proficient in computer skills including use of MS Office

What it is nice to have:

Experience in EPC industry

You are someone who:

Organized, committed and hard worker

Strong interpersonal skills and a team player with high attention to details

An analytical thinker

A results driven person combined with problem solving techniques

Report writing and communication skills

What is in it for you:

Competitive salary and benefits are part of the offering, yet the real joy comes from being a member of smart and passionate teams, within an international leading EPC Group on a mission that matters. We create mega construction projects - literally around the globe - with meaningful impact on the local communities for the years to come. At Archirodon, you will find a proud, productive and human-centric culture, caring for and building on our people and their development!

Please note that you will be contacted only in case you are shortlisted for an interview. In the meantime, do not hesitate to stay in touch and keep monitoring our and our page! Rest assured that your application will be treated with strict confidentiality and under all applicable data privacy regulations.
