E-Learning Designer Jobs in Sharjah 2022 | Air Arabia Jobs

1- E-Learning Designer

Job: Full Time

Location: Sharjah, UAE

Description:

To create and set up the internal e-learning process and design of content for the Air Arabia Group ensuring learning objectives are met within the agreed timescale and with the right quality of content. In addition, to focus on the end-user learning experience and ensuring e-learning is effective & engaging.

Job Responsibilities:

Structure, design, develop, review, and continuously improve online programs using e-learning development tools such as Articulate 360.

Partner with subject-matter experts and senior stakeholders like L & D/Training Managers using expertise in adult learning and instructional design to ensure learning objectives are met within the agreed timescale and with the right quality of content.

Create, develop, and design digital content to the required transfer of knowledge for different audiences within the Air Arabia Group.

Maintain the highest standards throughout the lifecycle of learning design, review, and implementation of programs within established timeframes.

Evaluate and guide the learning department on tools for e-learning design.

Job Requirements:

Minimum bachelor's degree qualification in a related field

Industry certifications/qualifications in instructional design, e-learning development

Experience with eLearning content creation tools such as Articulate Studio/Storyline, Camtasia, Adobe Photoshop/Illustrator, and basic coding for web (HTML, CSS, JavaScript).

Knowledge and understanding of LMS reporting standards such as SCORM 1.2
