Law Firm – Patent Attorney, Dubai Office

Are you looking to expand your horizon and work with an experienced team of IP experts? Law Firm is seeking a full-time, mid-level patent attorney to join our small but dynamic team in the Dubai office. If you're interested in relocating or returning to the region and you enjoy working in a supportive environment that places a strong emphasis on work/life balance, career development and professional growth, this is an opportunity you don't want to miss.

The ideal candidate will be qualified as a patent attorney in the United States, Canada, Europe, the United Kingdom, Ireland, Australia or New Zealand with three to eight years of post-qualification work experience. Preferably, they will be a native Arabic speaker who is also fluent in English.

Job Responsibilities

As a Patent Attorney at Law Firm, you will be responsible for:

- Supporting, growing and expanding the regional patent team in the MENA region.
- Advising on all kinds of patent matters, including conducting prior art searches, and providing patentability opinions for inventions in a diverse array of industrial fields.
- Advising local companies, universities and individual inventors on patent law principles, patent prosecution and providing patentability opinions of inventions.
- Advising on patent portfolios and on patentability of various R&D projects for the oil and gas sector.

- Drafting and filing patent applications in wide variety of technologies; providing patentability opinions and advising on patent portfolio management and filing strategies.
