Electrical Engineering Consultant Jobs In Abu Dhabi | Sargent & Lundy

About the job

Sargent & Lundy is one of the most experienced full-service architect-engineering firms in the world. Founded in 1891, the firm is a global leader in power and energy with expertise in grid modernization, renewable energy, energy storage, nuclear power, and fossil fuels.

Sargent & Lundy delivers comprehensive project services—from consulting, design and implementation to construction management, commissioning and operations/maintenance—with an emphasis on quality and safety. The firm serves public and private sector clients in the power and energy, gas distribution, industrial, and government sectors.

Requirement

Preparing and reviewing engineering deliverables such as reports, studies, and calculations

Collaborating with teammates to define project execution plans

Conducting multiple project simultaneously and ensure high standards of deliverables are met

Interfacing with clients to understand requests and confirm successful project execution

Preparing proposals for new business development opportunities

Traveling from time to time to visit project locations and client offices.
