Electrical Inspector Jobs In Abu Dhabi | KEO International Consultants

About the job

KEO is a creative enterprise, where innovation is a way of life. We are uniquely resourced with end-to-end services to take clients from inspiration – through conceptualization – to realization of planning, design or project delivery in the built and natural environments. For over 57 years we've led with vision, contributing to many of the world's most ambitious projects, iconic places, remarkable experiences and prosperous communities.

Requirement

Maintain records for daily activities on site including progress photos and ensure they are readily available for inspection as and when required.

Prepare surveillance report(s) for deficiencies of work found at site and non conformance reports (NCR) if required in view of the development of events.

Check and ensure effective co-ordination between discipline related works and all other disciplines.

Provide technical input and experiences to resolve any discipline related issues on site that may arise.
