Company: Eton Institute

Location: Dubai

Category: healthcare-practitioners-and-technical

### Part-Time / Freelance – EMSAT Math/ Physics Teacher (Arabic and English Fluency)

#### Position Overview

We are seeking experienced and dedicated Part-Time/ Freelance EMSAT Math Teachers who are fluent in Arabic and English to join our Institute. You will be responsible for delivering high-quality tutoring sessions specifically tailored to the Emirates Standardized Test (EMSAT) in Mathematics. The ideal candidate should have excellent communication skills, and a deep understanding of EMSAT Math topics and requirements. This is a part-time position, allowing you to work flexible hours.

#### Responsibilities

Conduct engaging and interactive tutoring sessions in EMSAT Math, focusing on the specific topics and skills required for the exam.

Develop customized lesson plans and learning materials based on the EMSAT Math curriculum and individual student needs.

Provide clear explanations of mathematical concepts covered in the EMSAT exam and assist students in understanding and solving related problems.

Familiarize students with the format and structure of the EMSAT Math exam, including practice sessions and timed exercises.

Assess student progress and provide constructive feedback to enhance their understanding and performance in EMSAT Math.

Prepare and distribute supplementary EMSAT Math practice materials, such as sample questions, practice tests, and study guides.

Foster a supportive and encouraging learning environment to motivate students and promote active participation in EMSAT Math lessons.

## **Requirements**

Fluency in both Arabic and English is essential for effective communication with students.

Proven experience in tutoring or teaching EMSAT Math.

Proficiency in using online teaching platforms and technology for virtual instruction.

Deep knowledge and understanding of the EMSAT Math curriculum and exam requirements.

Excellent communication and interpersonal skills to engage with students effectively during EMSAT Math lessons.

Ability to adapt teaching methods and explanations to suit individual learning styles and enhance students' performance.

High level of patience, empathy, and motivation to support students in their EMSAT Math preparation.

Strong organizational and time management skills to maintain accurate records and deliver lessons punctually.

Bachelor's degree in Mathematics, Engineering, or a related field is preferred.

Teaching license or certification is a plus.

Available to teach face to face in Dubai, UAE

It is essential that our team members have the ability to deliver results and the talent to innovate within Eton Institute's unique culture. We are looking for enthusiastic individuals with passion and drive who are excited to deliver their best.
