Engineer PMO – Defense sector Jobs In Abu Dhabi | ARENGY

About the job

We are seeking an Engineer PMO with Defense Projects background to join our client's project team for the next 3-4 years. The successful candidate will report to the Program Manager and will have in charge the Project Planning & Control, Scheduling, Resources planning, Finance, and Internal Communication. The candidate will not have to manage directly any team but will collaborate with other department leaders to define, prioritize, and develop the project. It is a full site on-site role located in Abu Dhabi, United Arab Emirates.

Requirements

Minimum of 3 years of experience in project management

Prior experience working on projects in the defense/aerospace sector (UAV, Missile, or similar) is a very good plus.

Strong leadership skills and the ability to effectively collaborate with cross-functional teams in a matrix organizational structure.

Project management certification such as PMP (Project Management Professional) or Prince (Projects IN Controlled Environments) is highly desirable.

Excellent communication and interpersonal skills, with the ability to interact effectively with stakeholders at all levels.

Strong problem-solving and decision-making abilities, with a proactive and results-oriented approach.

Demonstrated ability to work under pressure and meet tight deadlines.

Flexibility and availability to start the project within short notice.
