Enterprise Architect Jobs In Sharjah | NCR Corporation

About the job

We are looking for experienced, passionate people to join our global presales team at a time of growth in cloud networks and global managed services. Telecom and Technology is the IT Services division within NCR providing Customer Services across the globe. We design and deliver global field and managed services include enterprise networking, cloud networks (SD-WAN/NFV), wireless and optical networks. We offer a flexible working environment with a mix of home working, onsite customer meetings, excellent office facilities and the use of collaborative technology. This is a great opportunity to join NCR at a time of further investment in our Telecom and Technology divisio

Requirement Strong team player who is willing to share ideas

Willing to actively coach others to enable more team capacity and capability

A 'can do' attitude putting the customer first

Willing to speak up and challenge the norm bringing forward ideas on how we can change and improve presales

Inspire our customers about how NCR can benefit their business

Excellent interpersonal skills to help with communication and negotiation internally and externally

Excellent written and presentation skills#J-18808-Ljbffr
