### ESG Project Manager Jobs In Dubai | KEO International Consultants

#### About the job

KEO is a creative enterprise, where innovation is a way of life. We are uniquely resourced with end-to-end services to take clients from inspiration – through conceptualization – to realization of planning, design or project delivery in the built and natural environments. For over 57 years we've led with vision, contributing to many of the world's most ambitious projects, iconic places, remarkable experiences and prosperous communities.

#### Requirement

Managing the execution of ESG projects, ensuring alignment with clients' objectives and expectations.

Collaborating with the ESG team in the development and creation of high quality ESG solutions.

Developing and managing detailed project plans, track progress, and ensure delivery within scope, timeframe, and budget.

Overseeing proposal development for ESG projects, ensuring they are comprehensive, persuasive, and aligned with client needs.

Reporting regularly to upper management, providing updates on project status, key milestones, and any potential risks.

Supporting the team's growth by mentoring junior members, helping them develop new skills

in ESG topics.
