ESG Specialist Jobs In Dubai | KEO International Consultants

About the job

KEO is a creative enterprise, where innovation is a way of life. We are uniquely resourced with end-to-end services to take clients from inspiration – through conceptualization – to realization of planning, design or project delivery in the built and natural environments. For over 57 years we've led with vision, contributing to many of the world's most ambitious projects, iconic places, remarkable experiences and prosperous communities.

Requirement

Assisting the implementation and delivery of ESG projects including developing ESG framework and writing high quality ESG reports.

Conducting gap analysis and benchmarking studies with a focus on ESG data collection and comprehensive data analysis.

Assisting in maintaining relationships with clients, providing them with regular updates on project progress.

Supporting senior team members and contribute to reporting and documentation tasks.
