

Executive Director Projects Finance

[Apply Now](#)

Company: Michael Page

Location: abu dhabi

Category: other-general

Assist the CFO in the development of long-term financial plans for Board approval, ensuring alignment with strategic business direction and financial objectives. Ensure the development and implementation of financial and accounting policies, procedures, standards, and guidelines in adherence to established guidelines and timelines. Review and propose updates to project-related policies and seek necessary approvals. Participate in business planning meetings, providing feedback to the CFO and Head of Strategic Planning. Manage project financial risks, oversee accounting functions, and ensure accurate reporting for projects and capital expenditures.
