Company: Lastmiletalent

Location: united arab emirates

Category: other-general

Our client is a major player in Middle East e-commerce, emerging as the go-to platform for all online customer needs. They've developed a comprehensive ecosystem spanning e-commerce, quick-commerce, food, fintech, grocery, and fashion, with a focus on becoming the future of online shopping in the region.

What You'll DoAs an Executive in Operations, you'll be responsible for driving standard processes and sharing best practices across shifts and departments. Your role involves:- Monitoring key performance indicators (KPIs) and developing action plans to achieve targets.- Documenting processes, improvement initiatives, and outcomes in a clear and concise manner.- Collaborating with various company-wide groups for cross-functional projects.- Managing multiple priorities in a fast-paced environment, ensuring effective communication and follow-through.- Conducting thorough analyses of current operations to identify inefficiencies and propose data-driven solutions.

What You'll NeedTo excel in this role, you should have:- A Bachelor's Degree in Logistics, Financial Analysis, or a related field.- 1-2 years of experience in operations, supply chain, or logistics (preferred but not mandatory).- Strong business acumen and analytical skills.- Excellent interpersonal and communication skills to build relationships with stakeholders.- Leadership abilities with a focus on people-centric results in a fast-paced environment.- Project management skills, including the ability to prioritize and delegate tasks.- Analytical ability (e.g., pivot tables, lookup functions) to interpret data and propose solutions.- Technological savvy, with familiarity with Google Suite being a plus.- Strong organizational skills and attention to detail.

Our client is seeking resourceful doers—creative and analytical thinkers who solve problems enthusiastically to deliver results. The ideal

candidate will thrive in a fast-paced, multi-tasked, high-energy, and often ambiguous environment. If these values resonate with you, then our client might be the employer for you.
