[Apply Now](#)

Company: Hopecompass

Location: dubai

Category: other-general

At AptalDMCC Our main objective is to deliver engineering supplies & services for projects Locally & internationally. We are a 100% owned & managed company that adheres to our all Countries regulation and requirements. Over the years, we have successfully achieved strategic partnerships both Locally & Internationally Electrical Engineering Supplies

Role Description

This is a full-time hybrid role for an Export Specialist at AptalDMCC, located in Dubai, with flexibility for some work from home. The Export Specialist will be responsible for managing and overseeing the export process, ensuring compliance with relevant laws and regulations, coordinating with logistics providers and customs officials, and ensuring timely delivery of goods to international customers. The Export Specialist will also work closely with sales and marketing teams to identify new export opportunities and strategic partnerships, and will maintain accurate records to facilitate effective decision-making.

Qualifications

Bachelor's degree in business administration or a related field

Proven experience in export management, logistics, and supply chain management

Excellent knowledge of customs regulations and international shipping procedures

Strong communication, negotiation, and problem-solving skills

Proficiency in relevant software programs such as Microsoft Office and SAP

Excellent organizational skills and attention to detail

Experience working in a multicultural environment

Fluency in written and spoken English is mandatory. Fluency in Arabic and other languages is preferred

Experience in international trade or business development is a plus
