### EY Dubai Assurance Audit Graduate Program

**Location: Dubai, UAE**

#### **What if your career could have a lasting impact on you, and on the world?**

Here at EY, you'll have the chance to build a truly exceptional experience. We'll empower you with the latest technology, surround you with high-performing teams, and provide the global scale and diverse and inclusive culture you need to discover your full potential. Through our coaching and training programs, you'll develop the skillsets you need to stay relevant today and, in the future, – all while building a network of colleagues, mentors, and leaders who will be on the journey with you at EY and beyond.

The exceptional EY experience. It's yours to build.

#### **The opportunity: your next adventure awaits**

You will be working with one of the most trusted, respected, and influential teams in the industry. Global Assurance's purpose is to inspire confidence and trust to help build a better working world. We do so by protecting and serving the public interest, promoting transparency, supporting investor confidence and economic growth, and nurturing talent to provide future business leaders for the global marketplace. [Click here to learn more about our Assurance service line.](#)

The opportunity is specifically in the Audit sub-service line under Assurance. Our tailored external audit services help build trust and confidence through transparency, clarity, and consistency. We are 79,+ professionals based worldwide across countries. Audit services involve reporting on the fairness in all material respects with which a client's audited financial

statements are presented, in conformity with the applicable financial reporting framework. If you have graduated from university, or will do soon, the EY Graduate Program could be just the job for you. You will be part of a team working with interesting clients, while earning a salary. We will help you develop the things you are naturally good at and learn new skills for your career too.

### What we look for

**You have an agile, growth-oriented mindset** What you know matters. But the right mindset is just as important in determining success. We're looking for people who are innovative, can work in an agile way, and keep pace with a rapidly changing world.

**You are curious and purpose-driven** We're looking for people who see opportunities instead of challenges, who ask better questions to seek better answers that build a better working world.

**You are inclusive** We're looking for people who seek out and embrace diverse perspectives, who value differences, and team inclusively to build safety and trust.

### Qualifications:

Bachelor's or master's degree: **Accounting or Finance**

Bachelor's degree: completed within the past 18 months of applying to the graduate program

Master's Programs/Master's Degree: completed within the past 18 months with no relevant work experience for more than 6 months or students who started their master's directly after completing their bachelor's degree.

Available to start the full-time job from **August**

**UAE Nationals** only will be considered

### What's in it for you

Accelerate your technical capabilities and transformative leadership skills with future-focused courses and development programs.

Broaden your horizons by working on highly integrated teams across the globe and

collaborate with people of diverse backgrounds — both professionally and culturally.

Bring out the best in yourself with continuous investment in your personal well-being and career development.

Develop your own personal purpose and help us create a positive ripple effect on our teams, our business, clients, and society – building a better working world, together.

## **What you can expect**

### **Step 1: Apply**

If you can confidently demonstrate that you meet the criteria above, please complete the online application as soon as possible. Make sure to answer all questions.

Make sure you apply early and do not forget to follow the instructions carefully and answer all the questions to ensure your application is successful.

### **Step 2: Online Assessments**

After we review your application, you will receive an invitation email from 'EY Careers' to complete the EY online assessments. Approach the online assessments as you would approach any new challenge. It might be tough, but you can do it!

### **Step 3: On-Demand Interview**

Upon passing the assessments, you will receive an email invitation to complete a prerecorded video interview. You will be required to record yourself responding to behavioral-based questions. Being yourself is key to passing this step of the recruitment process.

### **Step 4: Attend**

Once you have been shortlisted, you may be invited to attend a recruitment day or an interview. This is your opportunity to visit our office, speak with our people, and ask questions about life and work at EY.

### **Step 5: Receive**

If you are a great fit for the opportunity, you will receive an offer to join EY and begin your career at one of the best companies to work for. It's time to celebrate.

## **EY | Building a better working world**

EY exists to build a better working world, helping to create long-term value for clients, people, and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 100 countries provide trust through assurance and help clients grow, transform, and operate.

Working across assurance, consulting, law, strategy, tax, and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

**Join us in building a better working world.**
