

## Facade Designer

[Apply Now](#)

Company: SAS Global Consultants

Location: dubai

Category: other-general

Fantastic opportunity to work for a globally renowned Engineering Consultancy as a Façade Designer on recently acquired projects across the UAE and Middle East. My client is looking for a Façade Designer who is looking to develop their career and learn from senior professionals in the industry as well as looking to progress and achieve promotion within the organisation. SALARY/PACKAGE AED 18-25,000 Per Month + Flights + Medical + Gratuity, you will need to pay for accommodation and transport but my client will supply initial hotel stay and relocation flights. My client requires someone that can develop complex bespoke systems and associated production drawings and 3D studies and models. - You will need to be degree qualified in either Architecture or Design Engineering- Experience and knowledge of 3D, sketching, calculations, analysis etc. Please note this is an Architectural design opportunity designing specific Façades of a building. For more information on this and similar opportunities please feel free to contact. About The Company SAS Global Consultants primary goal is to provide its clients and candidates with an unrivaled service in terms of our professionalism, accuracy and time management skills. We are fully aware the recruitment process is not an easy one and a good understanding of the market and human nature is essential to succeed. Specialists in our sector of supplying Construction/Engineering staff to the UK and overseas markets allows our consultants to take the full recruitment service from inception through to completion, this creates a stable platform for building excellent business relationships between our clients and candidates.
