Company: Silkor Laser & Aesthetic Center

Location: Abu Dhabi

Category: healthcare-practitioners-and-technical

Company Description

Silkor Laser & Aesthetic Center is the leading chain of laser hair removal, laser medico-aesthetic, and skin treatment services in the region, established in Beirut, Lebanon in 1997. Silkor addresses customer needs with the most advanced, proven, non-invasive medical and aesthetic technology while offering a safe and professional environment. The company specializes in treatments that promote smoother, more radiant skin for both men and women. Treatments are performed by highly skilled medical professionals in a relaxing and comforting atmosphere.

Role Description

This is a full-time on-site role for a facial therapist located in Abu Dhabi. The facial therapist will be responsible for providing outstanding customer service while performing various skin treatments and facials. The facial therapist will also be responsible for educating customers about skincare and promoting skincare services and products.

Qualifications

Extensive knowledge and experience in facial treatments and procedures

Strong communication and customer service skills

Ability to analyze skin and recommend appropriate treatments/products

Experience with various skin types and conditions

Ability to work in a fast-paced environment and handle multiple tasks

Excellent time-management and organizational skills

Degree or certification in beauty therapy, aesthetics, or related field

Experience with laser and non-invasive aesthetic procedures is a plus
