American University of Sharjah (AUS) in the United Arab Emirates invites applications for a full-time, rolling-track faculty position (assistant or associate professor) in physical chemistry, starting Spring 2024 or Fall 2024. The successful candidate will be required to instruct general chemistry courses in addition to advanced courses related to their area of expertise. The successful candidate is expected to instruct courses at the undergraduate level as well as graduate courses in the PhD in Materials Science and Engineering (PhD-MSE) program.

As an American-accredited institution in the liberal arts tradition, we seek candidates with a passion for both teaching and research in any area of specialization to join our faculty . Candidates should indicate any interests, qualifications or experiences related to program development. Successful candidates must have professional experience reflecting strong commitments to teaching, research and service. As a university formed on the American model, with English as the language of instruction, we give priority to candidates who have experience in North American models of higher education.

Required Qualifications

A PhD in Chemistry

An established record in teaching, research and service, or a clear ability to establish such a record at AUS

Preferred Qualifications

Experience in a North American-style of higher education

Experience in teaching introductory chemistry courses

Experience in teaching courses in physical chemistry, physical biochemistry, surface chemistry, electrochemistry and/or computational chemistry

Experience in conducting research in the aforementioned areas of expertise

The Department of Biology, Chemistry and Environmental Sciences offers bachelor of science degrees in biology, chemistry and environmental sciences, and minors in biology, environmental sciences and environmental policy. The department currently has 17 full-time faculty members and 10 full-time laboratory staff actively engaged in research within the three disciplines.

For the first stage of evaluation, we require only your CV and a letter detailing your interest in and fit with the position. Please submit these two documents in PDF format through <https://acg-apps1.aus.edu/cas/empapp/apply.php?BCE-24-02> . We will request additional information from candidates who make it to the next stage of evaluation.

Position open until filled.

Situated nearby Sharjah International Airport in the expansive University City area, and only 30 minutes from Dubai International Airport, AUS is located in a dynamic and cosmopolitan area that includes abundant opportunities for travel, entertainment, cultural experiences and natural beauty. Salary and benefits are competitive.
