Female Mathematics with Economics needed in Abu Dhabi | TAX FREE salary with benefits | IMMEDIATE interview!!!

Do you have experience of teaching mathematics to AP/A' level or IBDP with experience of teaching Calculus?

Do you have a degree in maths or economics with a minimum of 2 years teaching experience?

Contact ash@SeekTeachers.com or hit the **Apply Now** button to submit your CV for screening. **Duties will include:** **Teaching mathematics to Middle and High School students **Differentiating lessons to meet the needs of your students **Continually assess student progress toward mastery of standards and keep students and parents well informed of student progress by collecting and tracking data, providing daily feedback and weekly assessments **Make sure your classroom promotes the teaching and learning of maths **Set homework that is attainable and measurable **Report to the Head of Secondary or the IB Coordinator **Attend weekly professional development sessions after school on Tuesday **Take part in after school clubs and activities **Attend parent's evenings **Create engaging lessons that develop student critical thinking and problem solving skills **Supporting the aims and ethos of the School **Treating students fairly and ensuring there is equal

opportunities for learning in your classroom **Be able to meet deadlines and targets The school is based in the growing Emirate of Ras Al Khaimah and is very close to shopping malls, shops and parks. It is a new campus with excellent facilities including: **New large canteen **Large library **Outdoor playing fields x 2 **Indoor swimming pool **Indoor playing areas x 2 **Theatre hall **Prayer rooms **Media room **Majlas areas The school delivers the International Baccalaureate curriculum and is working towards becoming an IB World school. It is recently accredited by AdvancED proving that it is now delivering a high standard of education in the school. The majority of the students are Emirati but the teaching is done in English and the majority of the teachers are from native speaking countries.

Ras Al Khaimah is an amazing Emirate to live in. If you like the beach and would like to wake up to beautiful sunshine nearly everyday, look no further. RAK gives you a perfect work life balance and is now becoming home to many expat and locals. This calm Emirate is described as living a holiday lifestyle everyday. It is a cheaper Emirate to live in so you can make and save more money and know that Dubai is about 50 minutes away.

Register FREE with SeekTeachers.com to secure your next in the UAE!!!
