Description

Physics Teacher | Teacher of Physics | Teach Abroad

I am looking for a female teacher of physics teach away in the United Arab Emirates for the next academic year. The ideal candidate needs to be a teacher that can engage her students and promote and enquiry based learning model in the classroom.

The school is established in 2002 to serve a mainly Emirati population of students. About 30% are expatriates. The school offers the USA Common Core and the IB Curriculum. Working days are from Sunday to Thursday with school starting at 7.30am and ends at 3pm most days except Tuesday where there is IB CPD training given at 2 pm.

Teachers come from various international countries such as USA, Canada, UK, Ireland, Australia, New Zealand and South Africa. There are also many teachers from neighbouring Middle East countries.

Salary Package

Salary range, dependent upon years of experience and qualification: AED 12,100 to 15,675 per month

Benefits:

FREE Furnished Accommodation;

FREE Annual Flight Ticket Home;

FREE International Health Insurance;

FREE Transportation from ENS Sponsored Accommodation To and From Work;

FREE IB Professional Development;

FREE Visa;

FREE Health Exam; and,

FREE Tuition for up to two children in the same schools, does not include instructional fees, uniforms, meals or transportation.

FREE Baggage allowance of up to 500 USD (onetime payment upon receipts)

FREE Utility allowance of 500 AED per month

End of Service Gratuity;

2-year contract renewable

IMPORTANT : Flights medical and visa and only for the teacher. The teacher must pay to bring family members in. The school does not cover the cost for family members

The schools are located in various Emirates including Abu Dhabi, Al Ain, Sharjah and Ras Al Khaimah. The school supports teachers in settling into the country and carry out an induction programme for teachers to focus on good teaching and learning.

Requirements to Apply

Degree in Physics/Science or Physics related e.g. Engineering

A valid state teaching license in Science

At least 3 years teaching experience

Western Trained

A high command of written and spoken English

A clean police check

Two valid up to date references from Line Managers/Principals which are confidential

Knowledgeable of effective teaching methodologies, assessment strategies, standards based instruction, and strong content knowledge Possess excellent interpersonal communication, collaboration, problem-solving, decision making and relationship building skills

Understand and can use Standards Based teaching and assessment practices in the classroom

Is student centred in their delivery of instruction in the classroom,

Understands the use of assessment data to design instruction that is differentiated based upon the individual and group instructional needs of students

Uses technology to advance learning, manage information and deliver instruction effectively with students
