Field Service Manager Jobs in Dubai | Alfa Laval Careers UAE

Description:

Curiosity is the spark behind great ideas. And great ideas drive progress. To continue delivering service excellence and superb customer experience, we are seeking Regional Field Service Manager to join our highly skilled, dedicated and enthusiastic Field service team.

Responsibilities:

Secure a strong QHSE culture within the Field Service organization

Manage and develop capabilities needed to support the overall service strategy

Lead the change management adapting to new market demands and driving field service transformation

Requirements:

You have an engineering degree with 10 years of working experience out of which 3-5 years in a similar position working in Field Service Management.

You are experienced in troubleshooting, commissioning and servicing rotating equipment specifically decanters and high-speed separators.
