The Role

Our client is a growing manufacturer supplying renowned international clients. It aims to be a leader in its niche sector with a clear growth and development strategy. Client Details Our client is a growing manufacturer supplying renowned international clients. It aims to be a leader in its niche sector with a clear growth and development strategy. We are actively hiring a Finance Manager possessing strong finance and manufacturing skills such as budgeting, reporting and forecasting along with an experience in UAE VAT reporting or Corporate Tax. Part of a larger holding company, the offices are based in Al Ain and you will join an established finance team and be the second person in command in finance. If you are a dynamic and senior finance professional seeking a challenging opportunity in the manufacturing industry, we would be glad to hear from you!

Description

- * Oversee the development and implementation of the manufacturing budget, including forecasting revenue, expenses, and cash flow. Conduct variance analysis to identify and address financial performance deviations.
- * Lead efforts to optimize manufacturing costs across the entire production process. This could involve implementing cost-saving measures, negotiating with vendors, and identifying areas for efficiency improvement.
- * Ensure the accuracy and timeliness of financial statements (profit & loss, balance sheet, cash flow) according to IFRS standards.
- * Partner with the Commercial Department to prepare compelling financial models and business cases for bids and proposals.
- * Build and maintain relationships with key stakeholders in banking institutions and government agencies.
- * Manage all cash management functions including cash concentration and account funding, and ensure

adequate liquidity for working capital needs and invest short term excess cash. * Direct the planning, execution and reporting of year end audit. * Serve as the principal contact with the external auditors, and ensure that they are provided close cooperation and assistance. * Evaluate the financial feasibility of new manufacturing projects and initiatives. This may involve capital expenditure analysis, return on investment (ROI) calculations, and risk assessments. * Implement strategies to optimize working capital by managing inventory levels, receivables, and payables. Ensure sufficient liquidity to support ongoing manufacturing operations. * Partner with senior leadership across the manufacturing organization to provide financial insights and recommendations that support strategic decision-making and business growth objectives. * Manage a team and be actively involved in fostering the development of the team-members. Job Offer * Competitive salary and benefits package (including schooling allowance) * Permanent full-time role * Opportunity to work in a leading, dynamic and fast-paced group * Contribute to the success of a renowned company * Team leader role offering responsibilities and leadership

Requirements

* CA, CPA or ACCA qualification is a must (no other qualification would be considered at this stage) * A minimum of 8 years of experience in the finance function, with a recent and concrete experience in the manufacturing industry (minimum 4 years) * Hands-on experience with ERP systems such as SAP, Oracle or Microsoft Dynamics. SAP 4HANA is a plus. * Strong experience of IFRS reporting principles * A hands-on experience, or a relevant exposure to, VAT and/or corporate tax * Well versed in end-to-end budgeting and forecasting processes * BIG4 background is highly desirable. * Proven experience in people management or leadership position is a must. * Willingness to relocate to Al Ain
